Photographer Job Information

As a Photographer, you will provide the following during a photo shoot when we have a client in your area:

- Create written correspondence with our clients to finalize details pre-shoot (including, but not limited to site location) within 24 hours of being introduced to clients.
- Must respond to all photoshoot related emails within 24 hours.
- Arrive at the location on time and prepare to work outside.
- Engage with our clients to create a comfortable setting.
- Be able to help and direct client on posing for the photoshoot.
- Help make sure clients look their best during the photoshoot.
- Basic photo narrowing to a certain amount of photos (removing the bad photos - blinking, out of focus, etc.)
- EDITS NOT NECESSARY.
- Quick delivery of product (upload raw images to our database) post-shoot - .raw and high resolution .jpg images must be sent within 48 hours.

Required skills & experience that are essential for this position:

- Experience in professional and candid outdoor photography.
- Great interpersonal communication skills (both with VIDA's team and clients).
- Background in taking informal portraits of adults - ages 20-60; including head shots, 3/4 body and full length for online dating style ("lifestyle") photos.
- Extensive experience with shooting portraits in natural light and in a variety of outdoor locations, since almost all photo shoots will take place outside.
- Ability to provide composition variety in depth of field.
- Knowledge of fill flash.
- First-rate portfolio preferred but not required.
- Must be a team player.

Equipment required:

- Professional level DSLR.
- Variety of lenses (wider-angle, zoom, standard, etc.)
- Powerful flash unit.

Our photo shoots typically include three wardrobe changes and take place at 1-2 locations. Site selection is key here, in that we need a variety of backgrounds. Our team can work with you on site selection if needed. For each outfit we must see varying depths of field and diversity in lineup.
